CITY OF KINGSVILLE FIRE FIGHTERS' AND POLICE OFFICERS' CIVIL SERVICE COMMISSION RULES AND REGULATIONS

INTRODUCTION

The purpose of Chapter 143 of the Texas Local Government Code (TLGC) is to secure efficient Fire and Police Departments composed of capable personnel, free from political influence.

These Rules are promulgated in compliance with Chapter 143 of the Texas Local Government Code, which is incorporated herein for all purposes. It is intended that these Rules shall complement said statute and not conflict with the statute in any manner. No set of rules can be so precise as to provide for every employment situation; therefore, it is intended that the Civil Service Commission administer these Rules in the best interest of the Fire and Police Departments.

Collective bargaining agreement with the respective fire and police associations shall supersede established Civil Service Commission Rules and Regulations to the extent allowed under the specific agreements and by law. In the event of no active agreements, classified personnel will adhere to the Civil Service Rules and Regulations.

The following Rules represent a revision of the original City of Kingsville Civil Services Rules and Regulations for Policemen and Firemen as well as those subsequently issued. These Rules completely repeal and replace all earlier Rules approved by the City of Kingsville City Commission. These Rules are promulgated in accordance with the provision of Texas Local Government Code, Chapter 143.008.

SUBCHAPTER A. GENERAL PROVISIONS

Section 143.001 PURPOSE

There is hereby established the City of Kingsville Fire Fighters' and Police Officers' Civil Service with the adoption of these Rules and Regulations, in compliance with Chapter 143, as amended, of the Texas Local Government Code. The captions used in these local Rules are not intended to convey any legal meaning or benefit but are included solely to aid in the organization of the Rules.

The scope and construction of the Rules hereinafter set forth shall be interpreted and applied within the spirit and intent of Chapter 143. It is intent of these Rules to cover situations not mentioned in Chapter 143 or which are ambiguous in Chapter 143. All situations that are not expressly covered by Chapter 143 or these Rules shall be resolved in accordance with the City Charter and ordinances, City of Kingsville Administrative Policies and Procedures Manual, revisions thereof, or the residual discretionary authority vested in a Department Head. Therefore, these Rules do not constitute any form of “policy” nor any other official act of the City Commission.

Section 143.009 COMMISSION INVESTIGATIONS AND INSPECTIONS

See Section 143.009, Chapter 143

Section 143.010 COMMISSION APPEAL PROCEDURE

See Section 143.010, Chapter 143

- (1) **ORIGINAL NOTICE OF APPEAL** The employee’s notice of appeal and request for hearing shall be filed in writing with the Director within ten (10) days (240 hours) after receiving the notice of disciplinary action from the Department Head. An employee may withdraw his/her request for an appeal at any time, and thereby terminate the appeals process.

The employee’s notice of appeal and request for hearing shall set forth the employee’s basis for appeal in compliance with Chapter 143.

- (2) **FAILURE TO TIMELY FILE AN APPEAL OR SET FORTH BASIS FOR APPEAL** - There shall be no right to an appeal hearing in a situation where an employee either (i) fails to file a notice of appeal of a disciplinary action with the Director within the ten (10) day (240 hour) period allowed in Chapter 143 or (ii) fails to properly state the basis of appeal. This shall result in an appeal in the matter not being established. If the appeal is untimely or does not properly state the basis for appeal, the Director shall notify the employee that the appeal shall not be considered.
- (3) **SUBPOENA** - Before requesting a subpoena duces tecum for the production of documents, a party shall first make a request for the documents directly to the other party and allow a reasonable time for a response. If the request is refused or otherwise not produced, then a request may be filed with the Director requesting the CS Commission to issue a subpoena duces tecum. This request shall be filed with the Director at least ten (10) days prior to the hearing date, and the party requesting the documents shall also serve the opposing party with a copy of the subpoena duces tecum at least ten (10) days prior to the hearing date. If the opposing party wishes to object to the request for the issuance of a subpoena duces

tecum, the opposing party shall file its written objections with the Director at least six (6) days prior to the hearing. If the CS Commission receives written objections to the issuance of a subpoena duces tecum from the opposing party, the CS Commission shall meet no later than the third day before the hearing to determine whether to issue, quash or modify the requested subpoena. The CS Commission may base its decision on the information before them, and may consult legal counsel if necessary. The Director shall then notify the parties verbally and in writing of the CS Commission's decision. Because of the short time frame permitted in this process, all written materials may be served by facsimile and/or e-mail by the parties to each other and to the Director.

A request for subpoena to compel the attendance of a witness shall be coordinated through the Director. A request for a subpoena shall be submitted at least ten (10) days prior to the scheduled hearing date in order to be processed in a timely manner. The party requesting a subpoena must also serve the opposing party at the same time. The Director shall issue a subpoena on behalf of the CS Commission.

- (4) In appeals to the CS Commission, the Texas Rules of Evidence shall not be observed.
- (5) The CS Commission shall base its decisions on "substantial evidence." "Substantial evidence" is evidence which a reasoning mind would accept as sufficient to support a particular conclusion and consists of more than a mere scintilla of evidence but may be somewhat less than a preponderance.

Under the substantial evidence rule, as applied in administrative proceedings, evidence is competent and may be considered, regardless of its source and nature, if it is the kind of evidence that a "reasonable mind might accept as adequate to support a conclusion."

If such waiver is not granted, then the person, who has been deemed to voluntarily decline the position, shall be stricken from the eligibility list.

If the Chief has passed over an individual on an eligibility list, and the passed-over individual is the only remaining person on the list, the eligibility list is deemed exhausted and the Director may immediately initiate procedures to conduct an eligibility examination if a vacancy exists or is anticipated.

 - a. Indefinite suspension;
 - b. Temporary suspension;
 - c. Demotion (except as to demotions under § 143.014); and/or
 - d. Promotional pass-over.

If an action is subject to appeal, the employee may file an appeal. In the event of an appeal, the employee shall give written notice to the Director as provided under Section 143.010. If the appeal is timely and valid, the Director shall arrange to have an appeal hearing placed on the CS Commission's agenda, or obtain a panel of Independent Third Party Hearing Examiners, as provided under Section 143.057.

Employee dissatisfaction resulting from a transfer or reassignment of duties shall not constitute grounds for disciplinary appeal procedures.

Employee dissatisfaction resulting from a discretionary policy decision or policy matters shall not constitute grounds for disciplinary appeal procedures.

An employee who has voluntarily resigned or retired from his/her position forfeits all rights to utilize the disciplinary appeal processes.

An employee may voluntarily enter a written agreement with the Fire Chief or Police Chief that expressly evidences his/her intent finally to resolve the issue(s) of any type of disciplinary action imposed. The agreement shall also include a statement that the employee waives all rights to appeal.

- (2) OPTIONS FOR DISCIPLINARY HEARINGS** - At any time after filing the original notice of appeal but before either party has incurred Hearing Examiner expenses, an employee may withdraw the original request for the Hearing Examiner and either completely waive his/her right to appeal or submit the appeal to a hearing before the CS Commission. The election shall be made in writing and filed with the Director. If the employee elects to submit the appeal to a hearing before the CS Commission, the CS Commission must hold the appeal hearing within thirty (30) days of the withdrawal of the request for a Hearing Examiner.

At any time after filing of the notice of appeal, the employee and the Fire Chief or Police Chief may mutually agree to withdraw the appeal from a Hearing Examiner and submit the appeal to a hearing before the CS Commission. The mutual agreement shall be made in writing and filed with the Director.

- (3) DIRECTOR TO COORDINATE ALL MATTERS** - The location and accommodations for a hearing or appeal shall be arranged by the Director or his/her designee.

All subsequent matters raised by the appealing employee or the Department ("the parties") regarding attendance, scheduling, requests for subpoenas, request for continuance, etc., shall be coordinated through the Director. All such information shall be provided to the Director who shall then provide copies of same to the opposing party or representative and also coordinate the appropriate response or action to be taken. In a hearing coordinated by an outside agency, that agency shall also provide coordination services between the parties and the Hearing Examiner in conjunction with the Director.

- (4) **EXPENSE AND COSTS** - The appropriate amount, as well as payment of all costs and expenses, may be determined and collected by the Director. An employee may receive an estimate of anticipated costs upon written request to the Director. All costs charged by a court reporter shall be split equally between the parties.

When applicable, the State law governing the doctrine of “mitigation of damages” shall be applied in computing reimbursements or an offset from an award of back pay.

- (5) **FAILURE TO ATTEND SCHEDULED HEARING** - The CS Commission or Hearing Examiner shall treat the appealing employee’s failure to attend a scheduled appeal hearing or to file a timely request for a continuance as a request to withdraw the appeal. Absent extenuating circumstances, any request for a continuance must be filed with the Director or the Hearing Examiner at least three (3) business days before the date of the hearing

- (6) **EMPLOYEE AND DEPARTMENT REPRESENTATIVES** - The hearing process shall recognize the right of the employee, as well as the Department, to be represented throughout the appeal. However, only one representative shall be allowed to speak or otherwise present evidence on behalf of either party throughout the questioning of a particular witness.

An employee or Department representative shall use his/her best efforts to conclude all proceedings smoothly, expediently, and as fairly as possible to all concerned.

The function of the representative shall be to articulate the best interests of the employee or the Department represented and to make his/her presentations pertinent to the issue(s) being considered. Dissatisfaction with a representative shall not constitute grounds for modification of the final ruling.

A representative or an employee who represents him/herself shall become familiar with and follow these Rules and Regulations at all times during the disciplinary appeal process.

A problem or concern regarding the manner in which the opposing party or his/her representative is handling a particular disciplinary appeal should be brought to the attention of the Director. The difficulty shall be expeditiously addressed.

- (7) **LIMITED DISCOVERY** - The Texas Rules of Civil Evidence, the Texas Rules of Criminal Evidence, and all other Rules of Procedure, whether civil or criminal, regarding what is commonly known as “discovery” shall not apply to any civil service proceedings. Mediation and arbitration rules and processes do not apply to any civil service hearings.

Items from Departmental policies, rules and regulations manuals may be photocopied. Items such as Accident Review Board recommendations, time and

attendance records, duty status forms and other such documents may also be provided so long as they are relevant to the employee and the disciplinary action under appeal.

An employee and his/her representative may obtain copies of documents contained in the employee's own personnel files maintained under §143.089(a) after the employee has signed the appropriate release form(s).

(8) FORMAT OF APPEAL HEARINGS—The format for an appeals hearing before the Commission shall be as follows:

- Decision—rendered by public vote

(9) HEARING PROCEDURES

- a. At the scheduled time and place, the hearing shall be called to order.
- b. Each party shall come to the hearing prepared and ready to proceed so as to minimize any disruption of the hearing process. Each party shall bring at least six (6) copies of all documents or exhibits to be considered by the CS Commission at the hearing.

- c. A record of the public proceedings, capable of clear and accurate reproduction or transcription, shall be made and maintained by the Director. At the discretion of the Director, the services of a certified court reporter may be obtained, with the understanding that the cost will be shared by both parties.
- d. After being called to order, but prior to the beginning of testimony or evidence, consideration shall be made as to any pre-hearing motions, requests or jurisdictional matters as submitted by either party. The parties shall also seek to obtain as many stipulations as possible as to non-contested or non-material matters. The CS Commission may “carry” such pre-hearing motions until the hearing is completed and all factual evidence has been presented before making its final ruling thereto.
- e. Unless waived by the parties, the hearing shall then proceed with the reading into the record the statement of charges and specifications, as well as factual summary of the operative events as filed with the CS Commission by the Department Head and which forms the basis of the disciplinary action imposed on the employee.
- f. Upon request by either party, the hearing process shall utilize what is commonly known as “the Rule” concerning oral testimony, meaning that a person who shall be expected to testify at the hearing, other than the parties and their representatives, shall not be allowed to observe or listen to any of the proceedings except when he/she is actually testifying as a witness. “The Rule” may be used to ensure one witness’ testimony is not influenced by another’s testimony. While under “the Rule,” a potential witness shall not discuss any aspect of the appeal or hearing except with the attorneys or the representatives involved. Invoking “the Rule” is not mandatory and may be waived in whole or in part by agreement between the parties.
- g. The hearing shall then proceed to develop the evidence and testimony as to those contested matters.
- h. The City shall make the first presentation of evidence and testimony. Thereafter, the employee shall have the opportunity to respond with his/her own evidence, witnesses or testimony. Thereafter, the City may come forward with rebuttal evidence or testimony as may be necessary. Presentations by both parties shall be as brief and as closely related to the issue(s) as much as is possible. Throughout the proceedings, a CS Commission member may also ask questions as needed in order to aid his/her consideration of the testimony or evidence.
- i. A witness may be sworn and his/her testimony taken under oath or affirmation. A witness is subject to reasonable and relevant cross-examination by the opposing party.
- j. The Chairman shall exercise reasonable control over the questioning of a witness and the presentation of evidence so as to:
 - i. effectively ascertain the truth;

- ii. keep such presentations relevant to the issues to be determined; and
 - iii. avoid the needless consumption of time and expense.
- k. A party and his/her representative shall cooperate in keeping all presentations as brief and to the point as possible. Long drawn-out sessions shall be discouraged. The CS Commission may establish equal time limits for presentation of each side of the case.
- l. A hearing shall remain business-like and focus upon resolution of factual matters. A hearing shall not be a time for accusations, threats, speeches or arguments. The CS Commission shall have the discretion to adjourn any meeting that deteriorates into a “shouting match” or where fruitful dialogue ceases.
- m. The CS Commission shall have the discretion to control the length of time of any particular session as well as the amount of time provided for recesses, breaks, lunch hours, etc.
- n. Before adjourning, the CS Commission may adjourn to Executive Session to deliberate. Thereafter, the CS Commission shall reconvene in open session and shall, upon motion and second, vote upon its decision. Thereafter, a written Order containing the Decision shall be prepared and signed by the CS Commissioners prior to adjourning the hearing.

(10) RULES OF EVIDENCE

- a. Technical rules of evidence shall not apply nor control the conduct of any hearing. The Texas Rules Evidence and all other Rules of Procedure, whether civil or criminal, shall not apply nor govern any aspect of any civil service proceeding.
- b. The scope of evidence to be considered at a disciplinary hearing shall be generally limited to matters material and probative to the statement of charges as set forth in the Department’s written statement, the employee’s notice of appeal as well as the employee’s previous employment record with the Department.
- c. Either party may offer such material and probative evidence as he/she may desire to aid in the determination of disputed issues.
- d. It shall be the province of the CS Commission to determine:
 - i. The admissibility of any particular evidence or testimony;
 - ii. The materiality or probative value, of any evidence or testimony; and
 - iii. The weight to be given to any particular evidence or testimony.
- e. Subject to limited exceptions for compelling reasons shown by a party, the CS Commission shall refuse to hear or consider any testimony or item of evidence after the hearing has been closed.

- f. On-site inspections are discouraged and shall be conducted only if the evidence to be considered cannot be otherwise presented via stipulations, photographs, videotapes, maps, diagrams, etc.
- g. All evidence and testimony shall be presented and received into the record while in open session.

(11) ISSUES TO BE DETERMINED IN DISCIPLINARY APPEALS

- a. The Department Head shall establish the violation(s) by a preponderance of evidence standard.
- b. It shall be recognized that prior to imposing any form of discipline, the Department Head may use lesser forms of disciplinary or corrective action. However, the failure to utilize progressive discipline shall not in itself be grounds to overturn or otherwise modify a Department Head's decision to proceed directly to the appropriate level of discipline if the employee's misconduct warrants such disciplinary action, including indefinite suspension. Progressive discipline need not always apply and the seriousness of a single offense may negate a previously unblemished record.
- c. The hearing shall provide the employee a reasonable opportunity to produce objective evidence and/or testimony to demonstrate:
 - i. That the employee did not commit the misconduct as alleged, i.e., "the allegations are not true"; or
 - ii. That even if the employee committed the acts as alleged, that such activity does not constitute actionable misconduct; or
 - iii. That even if the employee committed actionable misconduct, that the degree of discipline imposed is too harsh or severe, i.e. the disciplinary action imposed was "unreasonable, arbitrary or capricious"; or
 - iv. A combination of any of these matters would justify or compel modification of the Department Head's action.
- d. An employee's mere disagreement or difference in opinion in regard to the Department Head's actions or reasoning shall not constitute grounds to overturn nor modify the disciplinary action.
- e. If the CS Commission determines one (1) valid charge of misconduct is supported by evidence sufficient to establish its truth, the CS Commission shall sustain that charge even if the evidence at the hearing does not support other charges in the letter of disciplinary action.

(12) FINDINGS AND ORDERS OF THE COMMISSION

(a) On the basis of the evidence and testimony presented at the hearing, the CS Commission shall vote and issue a decision on the matter via a written Order finding the truth of the specific charge(s) against the employee, or a written Order finding that the specific charge(s) against the employee is not true.

(b) The CS Commissioner's decision may be made by the majority vote of two (2) of the three (3) CS Commissioners present. If only two (2) CS Commissioners are present, the final decision shall be made unanimously.

(c) In the event that the charge(s) of misconduct against the employee is found to be "not true," then the final Order shall be promptly completed to restore the employee to the employee's proper position or status.

(d) In the event that the charge(s) of misconduct against the employee is found to be "true," then the final Order shall clearly state whether the employee is:

- (i) Permanently dismissed from the Fire or Police Department; or
- (ii) Temporarily suspended from the respective Department and shall then set forth the definite time period and conditions of suspension which shall be imposed;
- (iii) Demoted (See Section 143.054) or
- (iv) Restored to the former position or status.

(e) The final Order on a disciplinary appeal shall also include such other matters as to resolve the issues under consideration, particularly:

- (i) The employee's resulting employment status;
- (ii) Back pay and other employment benefits; and/or
- (iii) Mitigation of damages.

(f) If modifying the disciplinary action of the Department, the Order shall clearly explain in writing the factors and rationale for doing so. If affirming the disciplinary action of the Department, it shall be presumed to be for the same reasons and facts as presented by the Department unless otherwise indicated.

(g) The CS Commission may consider evidence of facts or events during the disciplinary appeal process that are outside the scope of the Department's statement of charges or the employee's notice of appeal to the extent permitted by law.

(h) A copy of the Department's disciplinary action, a copy of the employee's request for appeal, the record of the proceedings, a copy of the exhibits submitted together with a copy of the final Order shall be filed in the Commission record. The Commission may cite these records as reference material in subsequent determinations.

Section 143.054 DEMOTIONS

See Section 143.054, Chapter 143

The CS Commission's consideration of whether there is probable cause to support the Department Head's recommendation for demotion does not require an evidentiary hearing. If the CS Commission determines that probable cause exists for a recommended demotion, the Commission's letter to the employee shall include the Hearing Examiner option under Chapter 143.

After the CS Commission has determined that probable cause exists for a requested demotion and has provided the employee with a written Notice as per Chapter 143, the action for appeal of the demotion may be conducted according to the same hearing procedures as set forth herein for all other disciplinary actions or as expressly provided otherwise in Chapter 143.

Section 143.055 UNCOMPENSATED DUTY OF POLICE OFFICERS

See Section 143.055, Chapter 143

Section 143.056 PROCEDURES AFTER FELONY INDICTMENT OR MISDEMEANOR COMPLAINT

See Section 143.056, Chapter 143

If a fire fighter or police officer is indicted for a felony or officially charged with the commission of a Class A or B misdemeanor, the department head shall temporarily suspend the person without pay. The Department Head shall notify the fire fighter or police officer in writing that he is being temporarily suspended without pay for a period not to exceed 30 days after the date of final dispositions of the specified felony or misdemeanor complaint, and that the temporary suspension is not intended to reflect an opinion on the merits of the indictment or complaint.

Conviction or deferred adjudication of a felony shall result in the employee being terminated from his/her position. No hearing before the CS Commission or a Hearing Examiner shall be provided.

All employees must notify their Department Head of any arrest, and any misdemeanor charge or felony indictment within twenty-four (24) hours of its occurrence. Any employee so charged or indicted must report to his/her Department Head the outcome of the arrest, charge or indictment within twenty-four (24) hours after final disposition. This requirement also applies to all deferred adjudications.

Section 143.057 HEARING EXAMINERS

See Section 143.057, Chapter 143

(1) Only a disciplinary action concerning an indefinite suspension, a suspension, a promotional pass-over or a recommended demotion is appealable to a Hearing Examiner.

(2) The Director shall coordinate with the parties and the agency sponsoring the Hearing Examiner as to all matters regarding scheduling, place of hearing, accommodations, etc.

(3) The rule-making power and authority of the CS Commission is in no way conferred upon and/or delegated to any Hearing Examiner, either by implication or otherwise.

(4) In a disciplinary appeal conducted under Chapter 143, the Hearing Examiner shall have the “same duties and powers” as would the CS Commission, including the right to issue subpoenas to compel the attendance of a witness.

(5) A disciplinary proceeding conducted by a Hearing Examiner instead of the CS Commission shall not be conducted or resolved via mediation or arbitration processes. An employee’s election of appeal to a Hearing Examiner shall not constitute a right or an agreement to submit the appeal to arbitration or arbitration processes.

(6) The Hearing Examiner is to conduct a hearing fairly, objectively and impartially under the provisions of Chapter 143 and these Rules and Regulations. The Hearing Examiner is to render a fair and just decision based solely on the evidence presented in the hearing. The scope of evidence to be considered at the hearing shall be generally limited to matters closely relevant to the charges of misconduct as set forth in the Department’s written statement and the employee’s notice of appeal as filed with the Commission as well as the employee’s previous work record with the Department.

(7) A hearing conducted by a Hearing Examiner shall also be recorded so as to be capable of clear and accurate reproduction or transcription.

(8) If a situation arises pertaining to the administration process of selecting a Hearing Examiner, or meeting notices, or request for rescheduling, refusal, conflict or interest, etc., and the situation is not provided for Chapter 143 or in these Rules and Regulations, then the parties and the Director shall attempt to mutually resolve the situation by agreement. If the matter is not one capable of being reasonably resolved by agreement, the Director may refer the matter to the administrative processes of the entity sponsoring the Hearing Examiner to resolve the situation within its own processes.

(9) If a Hearing Examiner has been initially selected but is thereafter objected to or is asked to be excused by a party, both parties may mutually agree to excuse the Hearing Examiner and thereafter request a new list of qualified and neutral Hearing Examiners and start the selection process over again. If no such agreement can be reached, then both parties shall prepare a written statement including their requests and reasoning therefore which shall be submitted to the Director. The Director shall then transmit it to the entity sponsoring the Hearing Examiner, which shall then resolve the dispute according to its own administrative processes. The response shall either excuse the Hearing Examiner and thereafter provide a new list, or it shall provide a written statement of reasons why the Hearing Examiner was not excused.

(10) In all cases, the employee filing the appeal shall strike the first name from the list of possible hearing examiners.

Candidates shall be allowed to participate in a physical ability test review and practice test. The candidates shall be walked through each step of the process. The tasks shall be demonstrated, questions may be asked, and candidates are encouraged to practice any/all skills needed to accomplish the tasks. After the review has been completed, candidates shall be invited to attempt the PAT in its entirety. If the candidate successfully completes the PAT within the times allowed, the candidate shall be considered to have passed the exam and will not be required to return for a PAT at another time. Candidates that choose not to take the PAT following the review or that fail an attempt following the review, shall be invited back within approximately one (1) month to attempt the PAT again. Should a person fail to complete the PAT correctly or within the time allowed during their second offering of the PAT, the person will be considered to have failed.

5. **AERIAL LADDER CLIMB:** Candidates shall climb approximately seventy-five (75) feet up an aerial ladder that is extended and positioned at approximately a sixty five (65) to seventy (70) degree climbing angle. The candidate shall wear a safety harness and be connected to a rope that is run through a pulley at the top of the ladder and held by a belay person to prevent the candidate from falling. The applicant shall be allowed up to five (5) minutes to climb from the truck turntable to the seventy (70) foot level and then return down to the turntable. The candidate must touch each ladder rung with their feet while going up and down the ladder. A candidate shall use the rungs for hand holds and not use the side rails of ladder. Time ends when the candidate's foot touches the turntable. This event shall be timed separately from other PAT events.
