

Adopted Budget FY 2013-2014

NOTICE

THE CITY OF KINGSVILLE ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE.

THE TAX RATE WILL EFFECTIVELY BE RAISED BY 1.42 PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$-9.91.

ORDINANCE NO. 2013-53

AN ORDINANCE ADOPTING THE CITY MANAGER'S BUDGET, AS AMENDED, OF THE CITY OF KINGSVILLE, TEXAS, AND APPROPRIATING FUNDS FOR THE FISCAL YEAR BEGINNING OCTOBER 01, 2013 AND ENDING SEPTEMBER 30, 2014 IN THE PARTICULARS HEREINAFTER STATED.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF KINGSVILLE, TEXAS, that the budget for FY 2013-2014 is adopted as follows:

Section One: The official budget for the City of Kingsville for the fiscal year beginning October 01, 2013 and ending September 30, 2014 has been presented to the City Commission by the City Manager, several budget workshops were conducted on such budget, along with a duly noticed public hearing, and the budget is hereby approved.

Section Two: The budget contains a complete financial statement of the City and shows (1) the outstanding obligations of the City of Kingsville, Texas, (2) the cash on hand to the credit of each fund, (3) the funds received from all sources during the preceding year, (4) the funds available from all sources during the ensuing year, (5) the estimated revenue available to cover the proposed budget, and, (6) the estimated tax rate required to cover the proposed budget. The budget shows each of the projects for which expenditures are set up and the estimated amount of money appropriated for each project.

Section Three: The sum of \$45,803,437 is hereby appropriated for the budget revenues and expenses in the amounts shown on the attached Condensed Statement of all Operating and General Obligation Debt Service Funds – Summary of Revenues and Expenditures. The General Obligation Debt Service principle is \$1,140,000 and interest is \$317,995.

Section Four: The budget and all the attached support material as outlined in the above sections shall be deemed the official budget for the City of Kingsville, Texas, for the fiscal year starting October 01, 2013 and ending September 30, 2014. A copy of the official budget shall be kept by the City Secretary with the designation thereon as the official budget for FY 2013-2014, with the date of the adoption clearly stated, and filed with the County Clerk's Office. The official budget shall be available for inspection by any taxpayer.

Section Five: The City Commission is authorized to levy taxes in accordance with this budget. The City Commission may authorize the expenditure of City funds only in strict compliance with the budget, except in an emergency. The City Commission may authorize an emergency expenditure as an amendment to

the original budget only in case of grave public necessity to meet an unusual and unforeseen condition that could not have been included in the original budget through the use of reasonably diligent care and attention. If the City Commission amends the original official budget to meet an emergency, the City Commission shall file a copy of its ordinance amending the budget with the City Secretary, and the City Secretary shall attach it to the original budget. The City Manager shall provide for the filing of true copy of the approved budget in the office of the County Clerk of Kleberg County. The City Commission reserves the right to make changes in the official budget for municipal purposes.

Section Six: All Ordinances of parts of Ordinances in conflict with this Ordinance are repealed to the extent of such conflict only.

Section Seven: If for any reason any section, paragraph, subdivision, clause, phrase, word or provision of this ordinance shall be held invalid or unconstitutional by final judgment of a court of competent jurisdiction, it shall not affect any other section, paragraph, subdivision, clause, phrase, word or provision of this ordinance, for it is the definite intent of this City Commission that every section, paragraph, subdivision, clause, phrase, word or provision hereof be given full force and effect for its purpose.

Section Eight: This Ordinance shall NOT be codified but will become effective on and after adoption and publication as required by law.

Section Nine: This Ordinance was considered, passed, and approved at a regular meeting of the City Commission of the City of Kingsville, Texas at which a quorum was present and which was held in accordance with Chapter 551 of the Texas Government Code, and Chapter 102 of the Texas Local Government Code.

INTRODUCED on this the 9th day of September, 2013.

PASSED on this the 16th day of September, 2013.

Sam R. Fugate, Mayor

EFFECTIVE DATE: October 2, 2013

ORDINANCE NO. 2013-54

AN ORDINANCE ESTABLISHING AND ADOPTING THE AD VALOREM TAX RATE FOR ALL TAXABLE PROPERTY WITHIN THE CITY OF KINGSVILLE, TEXAS FOR THE FISCAL YEAR BEGINNING OCTOBER 01, 2013 AND ENDING SEPTEMBER 30, 2014, DISTRIBUTING THE TAX LEVY AMONG THE VARIOUS FUNDS, AND PROVIDING FOR A LIEN ON REAL AND PERSONAL PROPERTY TO SECURE THE PAYMENT OF TAXES ASSESSED.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF KINGSVILLE, TEXAS, that the ad valorem tax rate for all taxable property within the city limits of Kingsville, Texas for FY 2013-2014 be established and adopted as follows:

Section One: **THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE.**

THE TAX RATE WILL EFFECTIVELY BE RAISED BY 1.42 PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$-9.91.

Section Two: That there be and there is hereby levied and ordered collected on each One Hundred Dollar (\$100) valuation of all taxable property, real, personal, and mixed, within the corporate limits of the City of Kingsville, Texas, for the tax corporate limits of the City of Kingsville, Texas, for the tax year 2013 starting October 01, 2013 and ending September 30, 2014, the sum of \$.84220 based on 100% of the fair market value.

Section Three: Said levy shall be distributed in the following manner:

FOR GENERAL FUND EXPENDITURES (Maintenance & Operations), the sum of \$.65404 on each one hundred dollar (\$100.00) assessed valuation of such property.

FOR DEBT SERVICE FUND EXPENDITURES of annual principal, interest, and service fees of all General Obligation Bonds, Warrants, Certificates of Obligation, and Combination Tax and Junior Lien Revenue

Certificates of Obligations, of the City of Kingsville, the sum of \$.18816 on each one hundred dollar (\$100) assessed valuation of such property.

Section Four: That said taxes shall be due and payable at the time and in the manner provided by ordinances of the City of Kingsville and laws of the State of Texas, relating to the payment of taxes and providing for penalties and interest on delinquent taxes.

Section Five: There is hereby fixed, levied on each and every item of taxable property a lien for the purpose of securing the certain payment of the taxes assessed against said item of property and said lien shall continue to exist against any item of property against which a tax is assessed hereunder until such tax together with all penalties and interest shall be paid.

Section Six: This ordinance shall be in full force and effective ten days from and after the date of the second publication in a local newspaper as provided by law and the City Charter of the City of Kingsville.

Section Seven: The tax rate established and adopted by this ordinance and a copy of this ordinance shall be filed in the office of the Tax Assessor Collector.

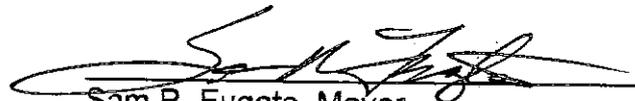

Section Eight: That no discounts or split payments are allowed for the 2013 tax year.

Section Nine: That an exemption of \$8,400.00 be granted for any person of age sixty-five (65) or over.

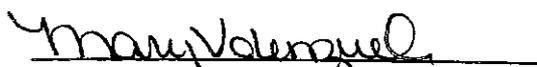

Section Ten: The Kleberg County Tax Assessor-Collector is hereby authorized to assess and collect the taxes of the City of Kingsville employing the above tax rate.

INTRODUCED on this the 9th day of September, 2013.

PASSED on this the 16th day of September, 2013.

CITY MANAGER'S BUDGET MESSAGE

August 19, 2013

Honorable Mayor Sam Fugate and Members of the City Commission
City of Kingsville
200 E. Kleberg Avenue
Kingsville, Texas 78363

Dear Mayor Fugate and City Commission:

Texas Local Government Code Section 102.002 of the Texas State Statutes requires that "The budget officer shall prepare each year a municipal budget to cover the proposed expenditures of the Municipal government for the succeeding year." Because there are no provisions for a municipal budget in the Kingsville City Charter, Chapter 102 of the Texas Local Government Code shall apply. Accordingly, the City Manager as the budget officer for the City of Kingsville is required to provide an itemized budget, file the proposed budget with the Municipal Clerk for public inspection and ensure that the governing body holds any and all required public hearings and that special notice by publication is made for the hearing. At the conclusion of the public hearing, the governing body shall take action on the proposed budget.

Once passed by the City Commission, the City's Adopted Annual Budget is the most significant public policy document, operations guide, financial plan and communications device prepared by the City of Kingsville for its residents. No other single document can compare to its importance or impact on our community and organization. The City budget affects everything from what employees do to how they do it. It establishes the expectations of the City Commission and sets the tone for City employees. It serves as a priority roadmap for the City Manager and provides the fiscal resources required for basic municipal services, projects and obligations. Please note that the FY2014 Proposed Annual Budget for Fiscal Year October 1, 2013 through September 30, 2014 is complete except with respect to changes, if any, made by the City Commission. The FY2014 Proposed Annual Budget represents a comprehensive budgetary solution for the year while providing for sustainable operations and required minimum fund balances.

BUDGET SNAPSHOT

The City Manager's total/combined FY14 Proposed Annual Budget with prior year comparisons is as follows:

Category	FY2012	FY2013		FY2014
	Actual	Current Budget	Estimated Actual	Proposed Budget
Revenues	\$32,520,209	\$32,816,506	\$39,911,880	\$36,344,213
Expenditures	33,500,562	40,832,514	37,391,304	45,425,432
Net Surplus (Deficit)	(\$980,353)	(\$8,016,008)	\$2,520,576	(\$9,084,218)

The net deficits, if any, for FY12, FY13 and FY14 are not generally attributed to the City's basic operations and result instead from planned draw down of bond proceeds and expenditure of accumulated operating surpluses from previous years. The components of these revenue and

CITY MANAGER'S BUDGET MESSAGE

expenditure items are contained in the attached budget summary information, proposed budget detail and will be discussed at greater length during the budget workshops.

BUDGET OVERVIEW

The management practices employed and the recommendations put forth in this Budget are intended to improve resident satisfaction with City services consistent with City Commission goals. The City's General Fund is the largest and most diverse fund in terms of total budgeted dollars and scope of services provided to residents. The FY14 General Fund Budget as proposed contains a projected FY14 operating surplus (revenues in excess of expenditures) of \$68,984. It's also important to mention that the FY14 Budget includes \$275,890 of FY13 budget savings for capital equipment and other items. The net annual operating surplus of \$68,984 minus the expenditure in FY14 of FY13 budget savings of \$275,890 produces a FY14 net budget deficit of \$206,906 ($\$275,890 - \$68,984$).

General Discussion

The City's fiscal condition is stable due, in part, to consistent growth of the City's two largest revenues - sales and property taxes. Also growing are utility revenues, ambulance fees, municipal court fines, and reimbursed costs for demolitions / lot clearances / noxious matter abatements and transfers-in from other funds. Interfund transfers are common and necessary in government organizations and are utilized to facilitate one-time or periodic initiatives or to reimburse administrative departments for the costs of services provided to other funds. Accordingly, in addition to the traditional budgeted administrative transfers, the FY14 Budget includes two new administrative transfers to the General Fund from the Task Force and Tourism Funds in the amount of \$50,000 and \$35,000, respectively. This transfer helps the General Fund while asking the Task Force and Tourism Funds to recognize and share in the total costs of administrative services provided to them.

Increases in City revenues are required in order to keep pace with general and specific inflation and to offset scheduled and discretionary employee compensation increases; employee professional, technical and safety training; street reconstruction and repairs; facility and office upgrades; equipment replacements; and various electronic and communication technologies. City staff must also keep a watchful eye on the cost of unfunded mandates imposed upon cities by government and regulatory agencies.

One bit of positive news on the expenditure side is the possibility of future reductions to annual expenditures and cash deposits to the Landfill's post closure care reserve. During FY13, the City retained an engineer to perform a "Municipal Solid Waste Closure and Post Closure and Service Fee Evaluation". During preparation of the 2013 Evaluation, the engineer uncovered an error in the previous evaluation prepared by a different engineer in 1999. As a consequence of this 14 year-old-error, the City has overstated its post closure care liabilities and has accumulated excess cash reserves in satisfaction of those liabilities in the amount of \$2,076,705. Accordingly, although the annual deposits to the reserve of \$297,285 continue for FY13 and FY14, staff will want to propose and the City Commission will want to consider options for adjusting the annual deposits, the associated special landfill fee, and the post closure care reserve balance. This post closure care reserve issue is described on page 76 of the Notes to the Financial Statements in the City's Comprehensive Annual Financial Report for the year ended September 30, 2012. Please

CITY MANAGER'S BUDGET MESSAGE

see discussion later in this message concerning staff's proposal for using a portion of this excess reserve as a source of loan funding for renovation costs associated with the new City Hall at the former HM King School.

The FY14 Budget includes numerous and significant investments in capital equipment, infrastructure projects and people. The FY14 Budget continues to improve employee compensation by including scheduled compensation increases for general and civil service employees under the City's Compensation Plan and recommending a 1.5% Cost of Living Adjustment (COLA) for the City's general employees. I have not included a COLA for civil service employees or civil service contract increases in the FY14 budget due to the ongoing and pending nature of labor contract discussions. I approved substantially all capital outlay and supplemental expenditure requests submitted by directors. I approved none of staff's requests for additional staff, position reclassifications or supplemental pay increases. Supplemental budget requests submitted by staff are summarized as follows and are detailed in Exhibits A and B attached to this document.

The FY14 Budget continues to provide employer-provided health insurance to employees at no charge for employee-only coverage. Increasingly, however, the City is being asked by its third party administrator to consider options that would help constrain its health insurance costs. The City is also being asked to make significant additional annual cash contributions to its self-insurance reserve to keep pace with the actuarially-determined Other Postemployment Benefits (OPEB) medical claims liability for future retirees. Given the increasing and annually recurring nature of current and future employee and retiree medical costs, this coming year might be a good time for the City to explore asking employees to help offset them with some amount of employee health insurance contributions.

Supplemental Personnel Requests Submitted by Staff

There are several reasons I did not approve director personnel requests. Many of the requested personnel additions, employee reclassifications and compensation increases will require more study. The magnitude and number of requests made it difficult to assess them completely. Staff submitted a total of 48.5 staffing changes including requests for 16.5 additional/new positions, 22 reclassified positions and 10 individual compensation increases. I intend to revisit these requests after the additional study and analysis are performed and bring some or all of them to the City Commission at a future date perhaps when the City Commission is asked to consider the civil service contract proposals. It's also possible that some of these same personnel proposals will be presented to the City Commission during the fiscal year in connection with other staff initiatives and proposals. I am cautious when adding new staff positions without an added annual revenue source and/or offsetting expenditure reductions to pay for them. For the time being, I am recommending that the City maintain rather than increase its present total full-time work force of 273 employees.

Supplemental Expenditure Requests Submitted by Staff

I approved all of staff's FY14 supplemental expenditure requests of \$197,284. Supplemental expenditures are, by definition, those that exceed current year (FY13) budgets (*see attached Exhibit A*). The majority (\$157,889 or (80%)) of FY14 supplemental expenditures are in the Fire Department and are primarily designated for uniform replacements, equipment maintenance,

CITY MANAGER'S BUDGET MESSAGE

employee training and minor equipment purchases. *Exhibit A* lists all the supplemental expenditure requests and the related funding sources.

Capital Outlay Requests Submitted by Staff

I was able to approve the vast majority of staff's capital outlay requests (*see attached Exhibit B*) in an effort to promote employee efficiency, effectiveness, and safety. In all, I approved \$9,823,416 (98.2%) of the \$10,002,808 in department capital outlay requests, which includes a combination of large and small items. For the City generally I included \$2,700,000 for the City's portion of renovation costs for the soon-to-be, new City Hall at the former HM King School. For the Streets Division I approved \$2,664,064 for contractor and material costs needed to carry out the City's street and storm water drainage programs and \$85,000 per year for seven years under a lease arrangement to purchase two pieces of Streets equipment including a \$350,000 hot mix lay down machine and a \$190,000 oil distributor. I approved \$2,726,703 for the water well #25 construction project in the Water Division. For the Landfill Division I approved \$257,303 for Landfill expansion and permit modification and \$135,000 for a new dozer with a six-way blade. For the Sanitation Division I approved \$231,000 for a new side loading sanitation truck and \$116,199 for a new brush tractor. *Exhibit B* lists all capital outlay items and the related funding sources.

Preserving Bonding Capacity by Using Budget Savings and Operational Resources for Smaller Dollar Capital Outlay - The Proposed Budget for FY14 includes the use of FY13 General Fund budget savings of \$275,890 and other operational resources to purchase small dollar capital outlay and other one-time or periodic expenditures. Although these assets constitute small dollars individually, over time they add up to large amounts that can consume large portions of the City's debt capacity. Paying for small dollar assets using the City's limited long-term bonding authority negatively impacts and reduces the City's ability to use those same bonds for major streets, sewer, water and other infrastructure projects.

REVENUES, EXPENDITURES AND FUND BALANCES

Policymakers are wise to pay attention to three fiscal and economic conditions including: (1) revenues – the money coming in, (2) expenditures – the money going out, and (3) fund balance – the money in the bank account. A discussion of these items focuses primarily on the budgeted differences from FY13 to FY14.

Revenues

FY14 revenue budgets are expected to increase \$4,595,917 (11.3%) from \$40,832,514 in FY13 to \$45,428,431 in FY14. The majority or \$3,167,139 of this increase is due to higher transfers-in and drawdowns of fund balance to complete projects financed by bonds issued in previous years. Drawing on bond funds issued in prior years to complete projects in a subsequent year are shows as revenues in those subsequent years. Another \$1,141,808 of this increase is due to higher FY14 budgets for sales and property taxes, sanitation fees, utility revenues, etc... as follows:

City staff expects sales and property taxes to grow modestly at \$317,585 (2.7%), from \$11,866,402 budgeted in FY13 to \$12,183,987 in FY14 with equally modest growth in solid waste revenue of \$62,839 (1.6%) from \$3,972,890 in FY13 to \$4,035,729 in FY14. Utility

CITY MANAGER'S BUDGET MESSAGE

revenues are expected to grow \$761,384 (9.7%) from \$7,809,728 in FY13 to \$8,571,112 in FY14.

There are several very bright spots on the revenue side that have a less dramatic, but still significant impact on City revenues. Municipal Court revenue budgets increased \$8,675 or (1.1%) from \$759,334 in FY13 to \$768,009 in FY14. More significantly, annual Municipal Court revenues will have grown \$324,370 (73.1%) from \$443,639 in FY11 to \$768,009 in FY14. City staff also expects FY14 ambulance fees to grow \$57,529 (10%) from \$578,029 in FY13 to \$635,558 in FY14. Even more dramatic is the prospect that Ambulance Fees will have grown \$146,244 (30%) from \$489,314 in FY11 to \$635,558 in FY14.

The most significant percentage growth in revenue budgets is expected to occur in the area of billed costs and reimbursements for demolitions, lot clearances and noxious matter abatements performed in connection with the City's beautification efforts. Although the City's estimated billed costs and reimbursements for FY14 of \$142,000 are projected to remain mostly unchanged from FY13 levels, it is important to note that these revenue items will have increased \$109,413 (336%) from their FY11 levels of \$32,587.

Asset seizures and revenues by the Task Force and Police Departments can fluctuate significantly from year-to-year. The adjudicated seizure awards in FY13 are significant in terms of dollars at \$1,835,944 while also serving our community well in terms of law enforcement and drug interdiction. The proposed budget for FY14 of \$2,026,826 assumes another strong year with revenues budgeted to come in close to FY13 budgeted levels.

Other FY14 operating revenues are expected to continue at or near FY13 levels.

Expenditures

The annual costs associated with maximizing resident satisfaction, regulatory compliance, staffing levels and employee compensation will continue to be the major drivers of expenditure growth.

Personnel

Personnel expenditures are the largest single expenditure category in the FY14 Proposed Annual Budget accounting for 33% or \$15,210,077 of the City's total expenditures of \$45,428,431.

Total compensation and benefits for the City's 273 full-time and 5 temporary/part-time employees totals \$15,210,077 for FY14 representing a decline of \$87,649 (0.6%) compared to \$15,297,726 in FY13. Most of this decline is attributed to a decline to the City's actuarially-determined contribution for future retiree health benefits referred to Other Postemployment Benefits (OPEB) of \$305,944 (\$574,576 in FY13 minus \$268,632 in FY14). The \$305,944 decline in OPEB expenditures is mostly offset by increases to employee compensation for: (1) scheduled step increases of \$102,999 under the City's Compensation Plan and (2) proposed 1.5% cost of living adjustment (COLA) of \$106,946 for general employees.

The 78 employees scheduled to receive step increases in FY14 are comprised of 48 hourly, 18 management and 12 civil services employees. Also, there are 73 employees who are not eligible

CITY MANAGER'S BUDGET MESSAGE

to receive step increases because they are at the top of their respective compensation schedules. These 73 positions include 55 civil service (24 Fire and 31 Police) and 18 non-civil service employees. As previously mentioned no civil service increases are proposed in the FY14 Budget due to the ongoing and pending nature of civil service contract discussions.

For six of the last ten years the City has approved across-the-board cost of living adjustments (COLA's) for City employees. The most recent COLA was in FY13 at 1.5%, which I am proposing to repeat in FY14. In the six years when COLA's were approved, all but one (FY09) was at a set percentage of base compensation. In FY09 employees received a flat increase of \$1,000.

The City of Kingsville historically has provided its employees with comprehensive health care. The health plan has been self-funded since October 2001 and the City has maintained ENTRUST as its Third-Party-Administrator since its implementation.

Employee monthly portion of health insurance premiums has remained unchanged for over 20 years at zero monthly premium for employee-only coverage and \$74.10 monthly premium for dependent coverage. The City pays the remainder of premiums and has continued to absorb increases. The cost of health insurance continues to rise. For FY 14 ENTRUST estimates an increase of 7% in claims. While this increase is projected in the latest renewal rates is absorbed by the City, the plan will require further review in the upcoming years in order to sustain the current level of benefits.

Supplies and Services

The FY14 supplies and services budgets increased \$240,976 (3.6%) from \$6,713,321 in FY13 to \$6,954,297 in FY14. Most of this increase is due to a one-time expenditure of \$190,000 for proposed asbestos removal at the recently condemned, former County Hospital. Increases in this category are also budgeted for motor fuel and oil, rollouts and dumpsters, computers and equipment, training and travel, utilities and the new annual payment to Texas A&M University – Kingsville of \$25,000. These increased expenditures are partially offset by decreases in expenditures for uniforms and personal wear, postage and freight, professional services, and printing and publishing.

Repairs and Maintenance

FY14 repairs and maintenance budgets are proposed to increase \$1,163,322 (25.3%) from \$4,606,063 in FY13 to \$5,769,385 in FY14. Substantially all of this increase is attributed to higher budgeted expenditures for streets reconstruction and storm water drainage projects using CO 2011 and CO 2013 bond proceeds.

Debt Service

FY14 debt service for bonds, leases and other debt instruments increased \$272,602 (7.9%) from \$3,440,686 in FY13 to \$3,713,288 in FY14. Substantially all of this increase results from: (1) new debt service on CO 2013 bonds the proceeds of which are to be used for streets and storm water drainage projects and (2) capital lease costs of \$85,000 per year (for seven years) for the acquisition of new street laydown (\$350,000 est. cost) and oil distributor (\$190,000 est. cost) machines.

CITY MANAGER'S BUDGET MESSAGE

Capital Outlay

FY14 capital outlay is proposed to increase \$964,260 (17.8%) from \$5,421,602 in FY13 to \$6,385,862 in FY14. Unlike recurring operating expenditures, capital outlay expenditures are discrete and unique asset purchases each fiscal year. Please refer to *Exhibit B* attached to this document for a listing of FY14 proposed capital outlay purchases.

Transfers-out

FY14 transfers out to other funds are budgeted to increase \$2,098,929 (40%) from \$5,240,823 in FY13 to \$7,339,752 in FY14. Transfers between funds occur to (1) facilitate current year projects or debt payments, i.e. transferring money from one fund to another in order to combine and track specific types of purchases or projects or transferring revenue collected in one fund to make debt service payments in another fund, or (2) to reimburse one fund for administrative services provided to some other fund, i.e. the Task Force Fund transfers \$50,000 per year to the General Fund to reimburse the General Fund for services it receives from this Fund. Total transfers-out (expenditures) always equals transfers-in (revenues) and in so doing cancel each other out.

Fund Balances

Funds are legally distinct and functionally separate budgeting entities. The City categorizes its funds into six fund types some of which contain dozens of individual funds, departments, and divisions. The fund types are (1) General Fund, (2) General Type Capital Projects, (3) General Debt Service, (4) Utility (operations and capital projects), (5) Asset Forfeiture (Task Force and Police federal /federal and state asset seizures), and (6) Tourism.

The operating type funds (General, Utility, Asset Forfeiture and Tourism) that have employees who perform annual ongoing public services must maintain minimum fund balances of not less than 90 days operations. In other words, if revenues were to completely stop, these funds should have enough money in their fund balance reserves or "savings accounts" to operate for 90 days. Conversely, capital project and debts service fund balances are by their very nature expected to be drawn down to zero once the projects are completed and/or bonds retired. A sharp reduction in an operating fund balance would be alarming. A sharp reduction to capital type or debt service fund reserves might be expected and desired. City fund balances are monitored and reconciled annually in connection with the annual financial audit.

I have provided a new graph in the Budget Summary section of the FY14 Budget document that identifies the six fund types and compares fund balance reserves at the beginning and end of FY14.

LOOKING AHEAD

The following items remain uncertain or pending at the date of this report:

- (1) Tax Rates - The City's final FY2014 tax rate has not been finally approved or adopted. For budgeting purposes the rate of taxation is assumed to remain unchanged at .84220 per \$100 of assessed valuation.

CITY MANAGER'S BUDGET MESSAGE

- (2) TPA for Health Insurance - The City has not entered into a contract with its Third Party Administrator (TPA) to administer the City's self-insured health program for employees..
- (3) New Expenditures for OPEB Benefits - The City is now recognizing and reporting a new annual expenditure resulting from a new regulatory mandate. The City is being compelled through new financial reporting regulations (Governmental Accounting Standards Board (GASB No. 45)) to recognize, in its financial statements, the future cost of providing health care coverage to retirees. This coverage is referred to as Other Postemployment Benefits (OPEB). The GASB believes that OPEB are part of compensation that employees earn each year, even though the benefits are not received until after employment has ended. Therefore, the cost of these future benefits is a cost of providing public services today, in much the same way that future pension benefits is a cost of providing public services today.

The City of Kingsville began recognizing this liability and making cash deposits in FY13 in an effort to accumulate sufficient cash reserves to pay benefits when due. The City made its initial deposit of \$574,576 in FY13 and is proposing another \$268,632 deposit for FY14. Thereafter and for the foreseeable future, the OPEB liability will continue to accrue each year. The City's actuary states that "We would expect the increase to be fairly consistent, although increasing slightly each year. For the next several years, we expect the increase in liability to be between \$150,000 and \$170,000 each year." This is a new annual expenditure that didn't exist prior to FY13 that is imposed upon the City due solely to the issuance of a new regulatory mandate. It's a good example of why it's important for the City to maintain and grow existing revenue sources.

- (4) Collective Bargaining with Union Organizations - Collective bargaining discussions are currently underway with the Police and Fire bargaining units. Accordingly, due to the ongoing and pending outcomes of these discussions, I have not included any contracted or cost-of-living-adjustments for civil service employees in the FY14 Budget. I have, however, provided step increases to eligible civil service employees. The City Commission may wish to consider setting aside or reserving the FY14 projected operating surplus of \$68,984 to cover or go towards this expenditure once the discussions are finalized.
- (5) Employee Health Insurance - The City Commission has yet to be presented with information or to consider certain proposals from the TPA (ENTRUST) that will likely impact the City's costs for employee health insurance. The employee monthly portion of health insurance premiums has remained unchanged for over 20 years at zero monthly premium for employee-only coverage and \$74.10 monthly premium for dependent coverage. The City pays the remainder of premiums and has continued to absorb increases. The cost of health insurance continues to rise. For FY 14 ENTRUST estimates an increase of 7% in claims. While this increase is projected in the latest renewal rates is absorbed by the City, the plan will require further review in the upcoming years in order to sustain the current level of benefits.

CITY MANAGER'S BUDGET MESSAGE

ENTRUST has offered several suggestions the City may want to consider to assist in offsetting the rising cost of the health plan and for the City to continue its current level of benefits. Suggestions include (1) increasing employee engagement in the selection and location of providers and the location of those services, (2) proposed incentive (waiver of employee's out-of-pocket deductible who work with ENTRUSTS customer support division to reduce the cost of certain types of planned services, (3) increase use of and discounts offered by the Christus Spohn Network, and (4) consider possible increases to employee premiums and prescription co-pays for both brand name and generic prescriptions.

- (6) New City Hall - The final costs for the HM King School renovation and new City Hall project have not been determined. Through actions of the current and former City Commissions and through proposals contained in this budget document, funding sources of \$2.7 million has been identified and/or set aside representing the City's estimated portion of renovation costs. Actual costs will become known after projects are bid through the date of completion in early 2015. The \$2.7 million (\$1 million from 2011 C.O. Bonds and \$1.7 million from excess Landfill postclosure care reserves) is intended to cover renovation costs for the school building interior and exterior, mechanical and other systems, and adjacent parking lots and drives. Fundraising for this project is ongoing and may serve to increase or reduce the City's costs, but at this point we believe the \$2.7 million will be adequate to complete the main building interior and exterior, mechanical and other building systems and adjacent parking lots and drives.

While the FY14 Budget provides a funding source for the renovation costs of the new City Hall building, it does not provide for debt service on the \$1.7 million loan from the Landfill post closure care reserve. It is our expectation that the \$1.7 million loan will not occur until late in FY14 and that no loan payments or debt servicing will be needed until FY15.

It has not been determined at this date whether the City will own the building outright or lease it from the Foundation at some nominal annual amount. Also, the transfer of title to the City from KISD for the gymnasium, Cottage Building and grounds has not been finalized and no costs or funding sources have been identified. The strategy at this point is to take possession and control of these ancillary facilities such that they can be renovated and utilized for public purposes pending the identification and securing of additional and appropriate funding source(s).

Lastly, the City Commission will need to consider its options for disposition of the current City Administration Building at 200 E. Kleberg. Options include, but are probably not limited to retaining, selling, occupying, developing, repurposing, leasing or some combination of these options. It to others. The City Commission should give careful consideration to this opportunity given the importance of this building to downtown and downtown revitalization.

CITY MANAGER'S BUDGET MESSAGE

- (7) Economic Development - More than one year ago, the Executive Director of the Economic Development Corporation (EDC) informed the EDC Board that he was considering retirement. At some point in the near future, staff may want to provide and the City Commission may want to consider its options in this regard including taking on a more direct and prominent role in economic development. The City has \$75,000 (part of the \$100,000 to be received annually for the next 15 years from Celanese), in addition to the \$32,500 presently paid to the EDC in support of City's economic development efforts.
- (8) City and County Parks - It has been suggested that the City and County form a new arrangement for operating, maintaining and improving the 9 (5 County and 4 City) parks inside the Kingsville city limits. I expect that this topic, related options and fiscal implications will be fully discussed in early FY14.
- (9) User Fee Updates - Property tax rates and water and wastewater fees are reviewed and adjusted annually to keep pace with costs and service demands. The same cannot be said for other user fees and charges, i.e. permits, fines, landfill fees, sanitation fees, etc... . It is imperative that these fees be reviewed soon and updated more frequently in an effort to keep pace with the costs of services and to minimize or avoid the extent to which these services are subsidized using sales and/or property taxes. For every dollar these fees are raised, that's one dollar of property tax and sales tax that can be used for something else and arguably more important.
- (10) GCS Building - The City has had several nibbles, but no bites with respect to selling or leasing this building and parking lot, which is owned by the City and sits vacant at a cost of \$35,500 per year. I would like to consider the full range of alternative uses for this building at some point early in FY14.
- (11) Streets and Storm water Drainage - The City will require a new/additional annual source of funding to continue upgrades to City streets and the storm water drainage systems. The CO2011 and CO2013 bond funds will likely provide sufficient funding for FY14 and FY15 streets and storm water projects, but beyond that, after these bond funds are exhausted, it is doubtful there will be sufficient annual funding to achieve goals for streets and storm water drainage. The current storm water drainage fee is devoted entirely to repaying the storm water drainage portion of the CO2013 bonds. Several options need to be put forth by staff to the Commission for its consideration beginning in early FY14.
- (12) Requests Directors for Staff Additions, Employee Reclassifications, and Pay Increases – The conditions giving rise to staff requests for additional personnel and reclassifications and pay increases for existing personnel need to be explored at greater length including closer scrutiny of options and alternatives.

CITY MANAGER'S BUDGET MESSAGE

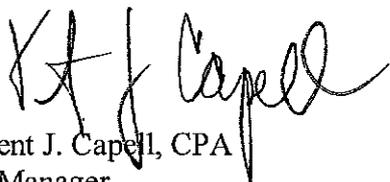

- (13) We Know What We Know - The FY14 Budget is prepared based on the information known to staff when prepared and may require amendment during the budget year in response to newly discovered facts and circumstances.

This Budget Message, attached exhibits, and the Budget Summary schedules and graphs are intended to provide readers with a broad and quick view of City operations and finances for the Fiscal Year beginning October 1, 2013 through September 30, 2014. More specific information is contained in the body of the FY2014 Proposed Annual Budget and will be discussed in more detail over a period of four late afternoon/early evening meetings as indicated in the budget calendar and budget work shop schedules.

I want to thank all directors, the City Secretary and Finance Department personnel for assisting with the preparation of the City Manager's FY14 Proposed Annual Budget document.

Thank you and please contact me if you have any questions or comments.

Respectfully submitted,

Vincent J. Capell, CPA
City Manager
