1. Comments on all agenda and non-agenda items.

Mr. Glenn Jones, Vice President-President Elect for the Chamber of Commerce read a resolution regarding development of Interstate 69 and improvements to US Hwy 77. The resolution read as follows; Whereas, development of Interstate 69 and improvements to US Hwy 77 are a high priority of the City of Kingsville, Kleberg County and the Greater Kingsville Economic Development; and Whereas, improvements to US 77, bringing it to interstate standard, have been supported and encouraged by the Kingsville EDC through the US 77 and I-69 Alliances; and Whereas, the Texas Department of Transportation (TXDOT) has announced plans to improve US 77 from Bishop South to the intersection with E. Corral Ave; and Whereas, TXDOT original planned to construct an overpass near the Fulenwider Dealership so that northbound traffic on US 77 would have easy access to their property; and Whereas, when TXDOT announced their plans to move the overpass seven-tenths of a mile north of the original site, the Fulenwider Dealership expressed concern with the inability of people traveling north from Kingsville to have easy access to their property; and Whereas, in a meeting with TXDOT and Fulenwider, it was agreed that making the access road in front of Fulenwider Dealership two way would be the best alternative; and Whereas, TXDOT has now proposed a new plan that would improve Sage Road from US 77 west to the intersection with 27<sup>th</sup> street, then construct improvements to 27<sup>th</sup> street south to the intersection with E. Corral Road as a way from Kingsville residents to access the dealership; and Whereas, the Fulenwider Dealership has reviewed both options and feels strongly that the first option, a two-way access road from E. Corral Ave. north to Sage Road, would be best. Now, therefore, be it resolved that the Kingsville Chamber of Commerce strongly supports the Texas Department of Transportation constructing a two-way access road north from the west intersection of US 77 and E. Corral Ave. to Sage Road so as to provide easy access to prime commercial property. Passed and approved this 10<sup>th</sup> day of October, 2013 and signed by Chad Stary President.
