

Property Pin Request

City may provide property pin/boundary locations within the City of Kingsville to the property owners upon the property owner signing a release stating the City of Kingsville and its employees, appointed and elected officials will not be held liable for any error in the locating of property pins, and that the location of property pins by City employees cannot be relied upon as being a legal survey. When City employees are unable to locate pins/boundaries of a property, the owner shall be advised to contact a licensed Registered Professional Land Surveyor (RPLS).

This service is provided as a convenience and at the convenience of City employees and no fee is to be charged. **City employees will spend a maximum of one hour to locate pins.**
