Erik Spitzer addressed the board and stated that Cynthia Tovar, the realtor who is representing the property owner Alejandro Zaragoza, approached the Department on January 9, 2024; her team worked with Kobby Agyekum on the replating process. The final draft is still being worked on, but to make things clear, this replat will be divided into 3 separate properties as the applicant has requested. The Planning Department is requesting approval for this replat.

8. Discuss and Consider Action on the request from:

ITEM #2 - Public Hearing on the request from:

Applicant, Cynthia A. Tobar; Owner Alejandro Zaragoza; requesting the replat of CHAMB PL, BLOCK 5, LOT 1-32 & ½ OF W ELLA ST, also known as 400 West Nettie BLK, Kingsville, TX, 78363

Brian Coufal stated that he was looking at the plat on page 11 and asked if this was going to be divided into 3 properties? Erik replied that on page 11 lot 16R and 17R are requesting to become one lot; the remaining lots, 1R and 32R, would remain separate as depicted on page 11, Erik also stated that it was brought to his attention this afternoon that the application/plat was misleading and there was a possibility of misinterpretation. Erik stated that the planning department will ensure that the final replat schematic will clearly show that Lot 16R and 17R will become one lot. Brian Coufal also stated that there has never been an alley there and Ella doesn't really exist and asked what the reason the 100-foot alley needed to be seen between Lot 1R and 2R. Mark McLaughlin stated yes, that there is utilities going West to East. Erik Spitzer stated that the application made it clear that this property would be separated into 3 distinct properties.

Brian Coufal made the motion to approve the request as discussed from Applicant, Cynthia A. Tobar; Owner Alejandro Zaragoza; requesting the replat of CHAMB PL, BLOCK 5, LOT 1-32 & ½ OF W ELLA ST, also known as 400 West Nettie BLK, Kingsville, TX, 78363. Debbie Tiffee seconded the motion. All in favor, none opposed.

9. Public Hearing Public Hearing on the request from:

ITEM #3- Discuss and Consider Action on the request from:

Applicant, James Maddalone; Owner MVGG Isaiah 6 Kingsville Series; requesting the Rezone from R1 (Single Family) to C2 (Retail) (of CHAMB PL, BLOCK 6, LOT 1-32 (Flato School), also known as West Santa Gertrudis (Property ID # 18241), Kingsville, TX, 78363.

Erik Spitzer addressed the Board and stated that James Maddalone, the applicant who is developing Kings Plaza on the adjacent parcel, approached the Planning Department on January 11, 2024 requesting to rezone what is currently R1 Singal Family to C2 Retail, to incorporate his plan which will have various commercial stores and restaurants in the future. The Planning Department met with James Maddalone and his team to discuss the project and is recommending approval for this item.

10. Discuss and Consider Action on the request from:

ITEM #4- Discuss and Consider Action on the request from:

Applicant, James Maddalone; Owner MVGG Isaiah 6 Kingsville Series; requesting the Rezone from R1 (Single Family) to C2 (Retail) (of CHAMB PL, BLOCK 6, LOT 1-32 (Flato School), also known as West Santa Gertrudis (Property ID # 18241), Kingsville, TX, 78363.

Brian Coufal asked if the buffer zone should go further North. Mark McLaughlin statied that only 200 feet is required, only the front half of the entire school property would be used. Brian asked if the previous property would stay R1 and Mark said yes, until further notice from the property owner. Mark stated that he met with James Malone prior to hiring Erik and when they met, he said this school would be redeveloped as a multi-use retail project that would include restaurants, bars, sports area-like pickle ball courts, and a medical clinic like Well-Med. Currently there is not a clinic on the north side of town. Mark stated that he was concerned that this property currently being an R1 and changing to C2 because of spot zoning laws, then further researched and was glad because there are several properties in the area that are C2. The project will bring 10 new businesses to the area, and the previous properties on this agenda will probably be the student housing for Texas A&M Kingsville. Steve Zamora questioned where the parking would be, and Mark replied in front of the school and off-street parking; they are wanting to keep the historic nature of the building and will save all of the existing buildings. Erik asked the Board to look at page 21 and pointed out that there would be a coffee shop and The Kingsville Steakhouse with a drive through as an example of the design. Brian asked if any returned letters or calls were received, and Erik said none for both agenda items.

Rev. Idotha Battle made the motion to approve the request as discussed from Applicant, James Maddalone; Owner MVGG Isaiah 6 Kingsville Series; requesting the re-zone from R1 (Single Family) to C2 (Retail) (of CHAMB PL, BLOCK 6, LOT 1-32 (Flato School), also known as West Santa Gertrudis (Property ID # 18241), Kingsville, TX, 78363. Brian Coufal seconded the motion. All in favor, none opposed.

- 11. Miscellaneous Steve Zamora asked when the construction for the Flato School will start, and Erik Spitzer stated in March when they will obtain permits. Mark McLaughlin stated that the building's roof has no leaks, and they have a pretty good plan for the development. Debbie Tiffee asked if the property was purchased from the school district and Mark responded "no, the land was owned by Alejandro Zaragoza who owns El Tapatio and Youngs Pizza."
- 12. Adjournment Meeting adjourned at 6:18 PM

grade levels. Drop-out rates were also much lower than the state and region. As a result of ongoing litigation, the accountability rating was not assigned to the school districts in the State of Texas; however, we are confident that Bishop CISD would have been assigned another stellar rating," Hernandez said.

The board approved all of the consent items and discussed and approved a change to the method of voting during school board elections.

From now on the candidate with the highest number of votes will fill the position and will no longer be required to have the majority vote. It was noted that the reason for this is to avoid run-off elections that cost more than the initial election

Additional school business days were approved for students during the 2023-24 school year who may go deep into the playoff games. The tuition rate for the 2024-25 school year will remain at zero.

A two-year contract was granted to Driscoll ISD allow-

ing their students to attend Bishop High School during the 2024-25 and 2025-26 school year. A contract was also granted to Ricardo ISD allowing their students to attend Bishop High School for the 2024-25 school year.

A resolution was passed to excuse employee's absences due to the bad weather on Jan 15 and 16. Bishop CISD students will make up one full day of class from the bad weather on March 22. The day had originally been scheduled to be a professional development day for teachers.
